

# UCANE's Updated 2010-2011 Employee Safety Manuals Now Available

*Your Company Must Have A Comprehensive Safety Program!*

*If You Have Previously Ordered Safety Manuals...  
Consider Ordering Our Updated Version.*

This year's **Safety Manual** includes information on:

- "Jackie's Law" — (MA Trench Safety Regs)
- Field Responsibility — Competent Person
- Recordkeeping Requirements —  
Employee Reporting on Fatalities & Hospitalizations
- Cranes & Derricks — Excavator (Counterweight) Swing Protection
- Fall Protection (Construction Sites)
- Hazard Communication — MSDS Access
- Drug Free Workplace — Alcohol Testing
- Sexual Harassment Update
- OSHA 10-Hour Training Requirements

## **Promote A Safe Working Environment**

*It should be your company's policy to provide a safe place  
to work, with the prevention of accidents being your ultimate goal.*

*Your Insurance/Bonding carrier requires a Safety Program.*

*State and Federal Agencies require a Safety Program.*

## **OSHA Inspectors Will Be Enforcing:**

- Overall Construction Safety (29 CFR 1926)
- Excavation Standards
- Written Safety and Health Plans
- Hazard Communications Programs
- Drug Free Work Place
- OSHA 10-Hour Training Requirements

## **Examine The UCANE Pocket Directory**

When ordering Company Safety Manuals, the **Safety Manual** section only, in the back of UCANE's **Pocket Directory**, will be made up into an individual **Employee Pocket Safety Manual** with **Your Company Name & Logo** printed on the cover. Employee signature cards verifying compliance with safety manual procedures are included. These signed signature cards should be placed in each employee's file.
